

## ST JOHNS COUNTY HORSE COUNCIL UPDATE ON TRAILS COALITION

August 27, 9:30-11:30, Equestrian Center

The St Johns County Trails Coalition is moving forward to create a multi-use trails system in our county. To assure horse trails are included St Johns County Horse Council's (SJCHC) active participation is necessary. Now is the time to speak up for THE TRAILS YOU WANT. Come learn about the process to MAKE THEM A REALITY HERE IN ST JOHNS COUNTY.

Don't ride the trails? These trails are important to all the horse people in St. Johns. They bring attention to the horse community as a vital part of the county.

Your participation is necessary to make these trails happen. The trails are the way to grow the equestrian community and make it great. Be a part of this great ride!

Come as you are straight from the barn; get a continental breakfast and fired up about horses and trails.
